WEDDING PHOTOGRAPHY PACKAGES GUIDE

Overview

Finding the right Photographer and perfect package for your BIG DAY can be daunting. This brochure covers my pricing, packages, and what to expect when booking me to capture your magical romance.

To start, we will get to know a bit more about what each other expect out of the Day during a 1-hour introductory meeting. This can be either in person (if local) or through Facetime. During this time we will go over pricing, details/aesthetics, timeline for the day, and what you want overall. I'm here for YOU.
